

Attention Colleagues - I'm going to need your help with this one!

As a MAAP STARS advisor, one of my responsibilities is to recruit volunteers to evaluate students at the MAAP STARS spring competition on April 15 & 16. In order for our students to have a valuable and informative experience, we need to secure over 100 judges!

That's where you come in!

How many potential judges do you know?

- Business professionals
- Parents
- Neighbors
- Colleagues
- Friends
- Spouses & Relatives
- Administration
- Retirees
- Probation Officers
- ECFE teachers/coordinators
- Social workers
- Vendors

If you can provide me with contact information, I can send out an invitation letter and detailed information.

Any help you can provide will be greatly appreciated!
